

Remember
how great
it feels
to count on
total support

Aren't you glad you chose CPI!

It's the same feeling our customers wake up with each morning.

Ask them. They chose CPI – because they know our klystrons are the most reliable in the world, and are backed by the best service plan in the industry. A plan that includes generous trade-in allowances ... 1-day delivery ... & 24-hour technical support. Anytime. Anywhere.

All this... together with the most accurate and durable Digital Fast Tuner system (DFTS) anywhere.

Simply the best.

Some things in life you can always count on, and when it comes to delivering reliable uplink communications, CPI Klystrons are at the top of the list.

And we're only a phone call away.
