

Imagine the possibilities

In business since 1985, We offer 'one-stop-shopping' for life, disability, health & dental. We are Master General Agent for The Co-operators Insurance (Field underwriting authority – plus decision making experience). And our Alliance with Greenshield gives us on-line access to services and products for the small group marketplace.

Can you imagine working with a TPA who really wants to help you build a business in the 10-50 life market?

A third party administrator who 'brings to the table' a remarkable 15 year track record - and whose goal is to make you look good!

Who wants you to be in control of your business – and remain the Agent of Record with your customers.

Who doesn't take any share of the commissions.

Whose reputation for 'higher-than-normal' personalized service sets them apart from big companies (and big Banks).

And whose customers are their greatest advocates.

There are a lot of good reasons for using Matrix. And when you add them all up, you'll find a testament to integrity ... reliability ... performance ... and value.

Could be exactly what you need!
